Greener Commuting Options to

Work: Cummings Center is a bustling "city within a city" that welcomes 4,000 to 5,000 visitors daily. Although business owners, employees, and visitors often arrive by car, a growing number choose to commute via "greener" modes of transportation. The statewide program [NuRide](#) is offering quarterly incentives to commuters who log their green commuting using the mobile app. For more information, visit the [blog](#).

Friendly Reminder

Be Active During Your Workday: Clients and visitors are welcome to use the newly installed FreshAir FitCourse located along Upper Shoe Pond. The course provides instructional plaques, and features pull-up bars, a push up bar, parallel bars, box jumps, and more. As the weather gets cooler, Cummings Center is pleased to offer the use of the CenterCircuit on the second floor of the 100 building for fitness walks. Please see the color-coded circuits placed throughout the second floor, and look for mileage markers to guide your way.

Business Spotlight

[Metro Cleaners](#), located at 100 Cummings Center, Suite 106-J, is a family-run business in operation since 1979. Metro Cleaners provides dry cleaning services, as well as alterations and tailoring for a variety of items. It even offers pick-up and delivery as an added convenience. Client firms interested in this service only need to provide a closet for Metro Cleaners to pick up and drop off dry cleaning. For more information, visit the [website](#), stop by Suite 106-J, or call **978-998-3200**.

Shoe Snippets

When "The Shoe" was first built, there was no consideration for parking because most employees walked to work or took the train. Now, Cummings Center has surface lots and four covered parking garages that can accommodate more than 4,000 cars.
